Let's go for a bike ride!

Sunday 10/16 we will be hosting a bike ride on the Lamoille County Rail Trail starting at Cambridge Junction to Lost Nation Brewery in Morrisville. Starting at 10:00 A.M. we will ride this mellow, scenic trail along the Lamoille River. We plan to arrive at the Morrisville Based Brewery around lunch time, and return to Cambridge by 3:30. This will be a "bring your own bike" event. If you are interested but have concerns about the distance, we can work out accommodations such as meeting halfway in Johnson, or you may choose to set up your own shuttle system. Talk to Greg for more details.
